Catchment Map

A map of the Somerset Levels and Moors Ramsar surface water catchment.

Somerset Levels and Moors Ramsar – Catchment Map

Glossary

Ramsar – A Ramsar site is a wetland site designated to be of international importance under the Ramsar Convention, also known as the 'The Convention on Wetlands', an intergovernmental environmental treaty established in 1971 by UNESCO

Natural England is here to secure a healthy natural environment for people to enjoy, where wildlife is protected and England's traditional landscapes are safeguarded for future generations.

Natural England publications are available as accessible pdfs from www.gov.uk/natural-england.
