Northern Devon NIA current projects

- Freshwater Pearl Mussel (Biffa Award)
- Catchment Sensitive Farming (NE / EA)
- Torridge Headwaters Facilitation Fund (NE)
- Culm Grassland Flood Mitigation (EA / DCC / potential Interreg)
- Plymouth studentships (Holly Hill Trust)
- North Devon Catchment Partnership

Some considerations

- ‘Project’ vs ‘long term approach’
- Ongoing commitment from NIA partners
- Ongoing management / development capacity
- Social and community aspects
- LNP connections and other Devon schemes
- Environmental targets in the long term
- Integrated reporting
- Badger cull?
